Miller Easily Wins Election To Seat On School Board

Writein Candidate Polls Big Vote In District To Beat Incumbent

In a surprising last-minute campaign, supporters of Byron K. Miller, Floriston, secured a record 280 votes at the election for a director of the Tahoe Truckee Unified School District Friday, and the local state quarantine inspector defeated the incumbent, Geroge (Bud) Zorich of Soda Springs who polled an above normal 110 votes.

The popularity of each of the two candidates in their home precincts was shown when Zorich received 31 to Miller's 0 at Soda Springs and Miller polled 50 to 1 against Zorich at Floriston.

The voters at Kings Beach proved the dominating factor in the election where Miller received 143 votes and Zorich 12.

Tahoe City also favored the writein. There Miller had 44 votes, Zorich 28 and Ray Fellows, an unannounced writein polled 13.

Truckee apparently forgot there was an election and the count here was only 88 votes. Miller getting 43 and Zorich 38. Seven local ballots were voided and W. A. Loynd, a former board member received one writein.

What effect the election will have on the future of the so-called "gentlemen's agreement" which provided for one representative on the board from each of the elementary schools in the district. that is, Truckee, Kings Beach, Tahoe City and Donner Trail, remains to be seen. The election eliminated the Donner Summit board member but added one from Floriston which heretofore has not had a direct representative.

Other members of the board are Reg Smart and Fred Pedley of Truckee, Denis Sach of Tahoe City and Jake Felte of Kings Beach.

MOTORIST INJURED AS HOME WRECKED BY SPEEDING AUTO

Major injuries to a car passenger and several thousands of dollars of damage resulted at 2:40 a.m. this morning when Raymond Joseph Murphy, age 19 of Berkeley, the driver, came around the turn at McIvers at high speed, hit the gravel on the highway shoulder and shot the vehicle into the standing pickup truck of Stanley Zwarg which in turn was forced 12 feet to the rear, badly damaging the Zwarg residence.

Herman Serpa, 21, a passenger of Murphy of El Cerrito is in the Tahoe Forest Hospital with major injuries.

The car skidded 250 feet as was damaged in the impact. Murphy was cited for speeding by officer Carroll Maynard who investigated the collision.

Murphy skidded 250 feet as was indicated by the tire burns on the pavement.

CHARTER NIGHT OF ROTARY CLUB HELD

The annual Charter Night of the Truckee Rotary Club was held Monday at Donner Summit Lodge where a musical program was enjoyed by the members, their ladies and guests.

James Pringle and three members of the high school glee club sang, and James Chastain of Taheo City played a guitar and sang western songs.

John Ciardella, the only charter member present gave a brief history of the club.

JUNIOR LEAGUERS TO START BALL GAMES

Daven Morey, president of the Truckee Athletic Club announced this week that all boys between the ages of nine and 15, with their parents, who are interested in signing up for the Junior or Little Leagues of baseball should meet at the local ball park, at 1 p.m. Saturday, May 26th. The league will include Tahoe City and Kings Beach.

Girl Injured As Swing Strikes Her During Play

Leiane, daughter of Mr. and Mrs. Charles Kay was reported to have sustained a head injury when she fell this week from a school swing. The moving apparatus struck the girl, necessitating several stitches to close the wound.

8TH GRADERS WILL GRADUATE JUNE 7TH

Eighth grade graduation at the Tahoe Truckee High School will be held in the high school gymnasium at 8 p.m. on June 7th. The program will feature student speakers and refreshments.

The principal speaker is Dr. Helen Strickland, supervisor, secondary schools in Placer County.

Speakers Selected For Graduation At Local High School

Speakers and the program for commencement exercises June 8th for Tahoe Truckee High School have been announced by Conrad Briner, vice-principal. Dr. Harold B. Roberts, dean of educational services and summer session, Sacramento State College, will be the main speaker at commencement exercises, and will develop the topic, "Whither Thou Goest".

Student speakers for the program will present short talks upon a variety of topics. Gary Anderson will speak on "Science Today and Tomorrow"; Miss Judith Loynd has as her topic "The Mind and Man"; and William Barr will talk on "A Teentge Philosophy".

The high school chorus and band under the direction of James Pringle will present several musical selections during the exercises. Rev. Leo McAllister will give the invocation and Rev. Wesley H. Osman will give the benediction.

There will be several awards, Lion's Club Speaker's Cups and the Tahoe Truckee Educational Association Scholarship award.

Fishing Season Is Opened In District

Opening of the trout fishing season in this district was more or less routine with little excitement being created by limit catches, although many reported better than average success on the streams and lakes.

The weather, earlier in the day of the opening was ideal, but a thunder storm and torrential rain fell Saturday evening and put a sudden stop to fishing activities.

Judge F. W. Wilson reported that not a single violator was hailed before him although a corps of five or six extra game wardens were patrolling the streams during the day. A few hopeful but unsuccessful fly fishermen tried their luck on the six miles of river forbidden bait fishermen between Truckee and Boca, but the wardens failed to find a bait fisherman in the area.

Unusually high water, muddied by spring snow runoff, hampered early season anglers but this condition is expected to improve as the season advances and better than average results are expected.

Bettencourt Receives Accounting Certificate

George Bettencourt, well known Truckee bookkeeper, has received notice from the California State Board of Accountancy at San Francisco that he has successfully passed the rigid examinations and is not a full fledged accountant. Bettencourt hopes next year to obtain his CPA rating.

The new accountant has been doing bookkeeping for a number of firms in the district for the past several years.

Yorks Welcome Fourth Child At Local Hospital

Mr. and Mrs. Russell York welcomed their fourth child and second son at Tahoe Forest Hospital, Friday May 18th. The lad has been named Jeffry Arthur and weighed 5 pounds, 15 ounces on arrival. Dr. L. D. Nelson was the attending physician.

Mrs. A. Le Couier of Los Angeles, his maternal grandmother arrived Sunday to visit the families of Mr. and Mrs. York and Mr. and Mrs. Lauren Russell.

JUDY O'NEILL HEADS SCHOOL STUDENTS

Student body elections were held at Tahoe Truckee High School on Monday.

Students went to the polls in the morning and at noon, and the following results were noted: Judy O'Neill of Kings Beach was elected president; Kenneth Vaughn of Tahoe City was elected vice president; Jude Commagere of Tahoe City was elected secretary; Linda Loynd of Truckee was elected treasurer; Karen Decker of Kings Beach was elected head cheerleader; and Norman Dewhurst was elected faculty adviser to the student body.

School Sets New Purchase Policy As Meeting Held

District Merchants Will Be Given Opportunity To Serve Schools

The first of what is proposed to be a series of meetings of merchants of the district with Tahoe Truckee Unified School District officials was held at the high school last Thursday with gratifying results.

This initial meeting, called at the suggestion of Reg Smart, president of the governing board, was for the principal purpose of discussing athletic equipment and involved those merchants in the district who sell such items required by the school.

Future meetings will include merchants handling other type of required equipment being purchased by the district, Smart said.

Dealers in auto supplies and kindred items were invited to attend a similar meeting this morning at 10 a.m.

During the informal, round-table talks, school officials, including E. V. O'Rourke, superintendent; Conrad Briner, principal and Miss Elizabeth Ricker and Smart agreed that the policy of the school would be to make purchases within the district when price schedules are within line with those currently being offered. Local dealers were assured that they would not be compeled to bid against wholesale firms and that if they would offer the same or comparable merchandise at prices 'within reason'" they could expect the school's patronage.

It was agreed by both sides that purchases would be made only if comparable prices could be obtained to protect the interest of the taxpayer, who, it was pointed out, is the actual purchaser and who depends upon the school officials to protect his interests.

Merchants of the district attending the meeting voiced their appreciation of the new policy of the school and gave asurance that the prices and merchandise they will offer will be in keeping with the policy being adopted.

VETERANS TO HONOR DEAD AT SERVICES

Members of Post No. 439, American Legion, who assisted in arranging the graves of veterans in the Truckee cemetery last week, in preparation for Memorial Day observances, were Everett Parker, Frank Fox, John Rablin, William Waters, Robert Roth and Frank Quilici.

The graves will be decorated by the American Legion next Wednesday.

The members are requested to be present at the fire station at 10 a.m. on Memorial Day to participate in the rifle squad and as color bearers. The uniform agreed upon is the Legion cap, whit shirts and tie.

STATE PTA OFFICIAL TO INSTALL OFFICERS

Mrs. George Nimmis, extention director of the third district. Parents and Teachers Association from Sacramento, will be the installing officer at a meeting of the Tahoe Truckee High School PTA tonight at 8 p.m. at the high school.

The nominating committee has named a full slate of new officers who will be nominated, elected and installed in the meeting tonight. All interested members are being urged to attend.

BOOKS DONATED TO HOSPITAL LIBRARY

Tahoe Forest Hospital this week was presented with 11 valuable reference books by C. A. Jobe, Soda Springs, who is manager of the U. S. Forest Service campgrounds at Big Bend and Hampshire Rocks.

In accepting the gift, Administrator J. J. McGlade expressed the appreciation of the hospital staff and declared the volumes will be of considerable value.

Monday Party—

Mrs. Robert Madge and Mrs. Robert Leamon entertained friends at a card party on Monday evening. Refreshments were served at the close of the games.

SUNBEAMS

By WALTER M. BARRETT

Although they will naturally adopt a "wait and see" attitude, merchants and others of the Tahoe Truckee Unified School District will greet with pleasure the voiced new policy of school officials to purchase everything possible, in the realm of sound business, within the district. While this announced policy will tend to bring about a closer understanding and friendlier relationship between the school and the district it serves, it is expected to accomplish an even more far-reaching and lasting benefit through the influence it may have on students. Loyalty to the communities in which they live and a home-town spirit are dificult to establish when there exists a tendency by leaders to ignore that important phase of living. We can only hope sincerely that cooperation between the schools and communities will develop to a point where they work as a unit for the benefit of both.

There is no question about it, one of the most damaging and costly epidemics which can strike a small community is the annual influx of professional chislers. Because of their apparent friendly attitude, they can easily throw an unsuspecting victim off guard and in a few minutes time make him thing the "salesman" is a real benefactor, heaven sent. It takes real training to make a successful chisler, but it is a most profitable racket. Unless you want to be bilked, the best way to avoid this pest is to never give him a chance to use his well-cultured influence. Better buy from someone you know and can trust.

Waters Selected To Head Lions Club

Roy F. Waters, deputy sheriff in this district, has been elected president of the Truckee Lions Club to succeed Floyd Carnell, Tahoe City who has headed the club for the past year.

The new officers will be installed next month and will take office at the first meeting in July.

Other officers chosen for the coming year include E. V. O'Rourke, first vice president; Reginald Smart, second vice president; Robert Siebold, secretary; Oliver Larrivee, treasurer; Nace Firpo, lion tamer; T. T. Thompson, tail twister and A. M. Anderson and C. R. Heller, directors.

Earl K. Stice, a past president of the Truckee club and local Southern Pacific agent, has been elected chairman of Zone A of District 4-N which includes seven clubs, three at Reno, and one each at Sparks, Gerlach, North Tahoe and Truckee.

Saturday, May 26th, local members will participate in a zone meeting and ladies night at the Crystal Bay Club at Lake Tahoe.

Mrs. Harvey Hocker Is Feted At Party Here

Mrs. Harvey Hocker was feted at a luncheon and shower when Mrs. Kenneth Hedlund entertained in her honor last Friday.

The attractively appointed luncheon table was decorated with pink and blue candles and flowers, the center interest being a decorated cake topped with a miniature figure of a baby in a cradle.

Friends sharing the affair included Mesdames John McGlade, William Englehart, Jr., Paul Capel, Chet Burns, Loren Ferdinand, David Rose, Russell York.

Two Guilty Of Being Drunk Are Sentenced

Clifford A. Pereyda, 29, and Joseph E. Pellitier, 45, both of Stockton pleaded guilty last week to being drunk in and around an automobile and were given their choice of ten days in jail or a $50 fine. Pereydo paid his fine, Pellitier took the 10 days. They were arrested by Deputy Sheriff Roy Waters.

Opening Of Road At Emerald Bay Meets Long Delay

Important Lateral Will Not Be Opened For Six More Weeks

State division of highway officials this week estimated it would require another five or six weeks to clear the slide at Emerald Bay which has blockaded State Route 89 on the west side of Lake Tahoe since December.

That means that the route will not be opened until early in July.

"It will be at least the end of June and I wouldn't bet anything that it will be opened then," R. I. Nicholson, maintenance engineer in charge of the work, declared.

The long and costly closure means that motorists using Highway 50 from Placerville cannot reach Meeks Bay, Homewood and Tahoe City without driving almost entirely around Lake Tahoe on the Nevada side. The D. L. Bliss State Park and the entrance to Emerald Bay are also inaccessible to U.S. 50 traffic.

At the same time, travelers arriving by Highway 40 must detour around the lake to reach Bijou, Camp Richardson and other places the lake to reach Bijou, Camp Richardson and other places at the south end of the lake.

The cost of opening the dangerous slide area at Emerald Bay is expected to cost nearly $100,000 and one man has been killed in the effort to get the lateral open.

In the meantime, some gencies and numerous "nature lovers" are continuing their fight to prevent the estate from building a low level crossing at Emerald Bay which would provide a year around road joining U.S. 40 and U.S. 50 on the west side of Tahoe.

Proponents of the low-level crossing are doubling their efforts as costs of maintenance and dangerous conditions build up.

DEPOT HERE GETS NEW GREEN PAINT, ATTRACTIVE SIDING

Southern Pacific crews are engaged in giving the ancient depot here a permanent face lifting and at the same time installing a new solid concrete steel loading platform at the freight house.

The depot is being covered by sea-foam green asbestos siding with door and windows trimmed in the same color. The improvement is quite marked and eliminates the tiresome, drab light brown which has been customary S. P. coloring for many years.

The loading platform at the west end of the freight shed replaces an old wooden ramp and will be more convenient and lasting.

Earl Stice, local agent for the company, said he had not been advised whether the new green would be used to adorn the other railroad structure here, but has hopes it will.

TWO MINISTERS HURT IN FARAD ACCIDENT

Two Sacramento ministers were injured, one seriously, at 4 p.m. Tuesday when the car in which they were riding skidded on the wet pavement near Farad and overturned after striking an embankment.

Rev. Clell P. Collier, 46, was in the Tahoe Forest Hospital with a fractured shoulder and other injuries and the driver, Rev. Cecil C. Holcomb, 45, pastor of the First Baptist Church at Del Paso Heights, was treated for lesser injuries.

State Patrolman Roy Stallard who investigated said Collier, owner of the car, recently purchased two new tires and installed them on the front wheels, leaving the smooth ones on the rear, a practice which is not satisfactory for driving on wet roads. No citation was issued.

LAKE LEVEL

TAHOE CITY— All gates into the Truckee river remained closed Monday and the level of Lake Tahoe stood at 6228.11 feet. The weather continues to moderate and temperatures at Tahoe City ranged from a warm 68 to a low of 34 during the past week.

In Hospital—

Mrs. Terry Tollefson is reported recovering following an appendectomy last Sunday.

S. P. Hotel Will Be Moved To Provide Lodging Quarters

Work is expected to be started immediately on moving the old Southern Pacific Hotel from its present site just east of the depot in Truckee to a location on Bridge street opposite the Donner Hotel.

The building has been purchased by Paul R. Wierdsma, a Sacramento contractor, who, according to Earl K. Stice, local S. P. agent, expects to move the huge structure in three pieces, rejoining and repairing them on the new site.

The building will be leased or sold and will continue to be used for a lodging place, it was understood.

The Southern Pacific announced last year that the building had been sold and would be demolished, but apparently those plans were changed and Wierdsma proposes to keep the hotel in operation.

Health Plan For County Approved

Approval was given a resolution to sign a contract with the State Department of Public Health for expanded county health services by the Nevada County Board of Supervisors in regular mid-month session.

The contract will cost the county no more than currently is provided with the rate of 55 cents per capita but will increase service to include state provided two sanitarians, two public health nurses and all medical and laboratory facilities of the state.

The contract will become effective July 1, the start of the 1956-1957 fiscal year.

Office site for the added personnel and clerk for the department has not yet been selected, but Chairman Curtis Clark pointed out there will probably be a main one in the Nevada City area serving Nevada City and Grass Valley and a branch in Truckee for the eastern end of the county.

He said rumors that the office would be located in Grass Valley library or in the county hospital are not true as no selection has yet been made.

John Frank of Grass Valley gave a report that the Mountain Counties Water Resources Board is now set up following a recent meeting in Placerville with 10 participating counties.

COMMUNITY MEET AT TAHOE MONDAY

TAHOE CITY— All interested residents and property owners of the Tahoe City Public Utility District are urged to attend an open meeting for the formation of a Tahoe City improvement association to be held at 8 p.m., May 28 in the community center building.

Baccalaureate Services For School On June 3rd

Baccalaureate services for the senior class of 1955-56 will be held in the high school cafeteria at 8 p.m. no Sunday, June 3rd.

The program will feature music by the high school band and chorus. The invocation will be delivered by Rev. A. B. Covher of Kings Beach and the benediction will be delivered by Rev. Leo McAllister of Truckee. The major address entitled "This is your Life" will be delivered by Rev. Wesley H. Osman, Truckee.

Jury Decided In Favor Of Resort In Skiing Accident

For the second time within just a few weeks a Nevada County Superior Court jury decided in favor of the defendent in a ski accident personal injury in deciding that Soda Springs Ski Corporation was not to blame for an accident suffered by John Dieden on March 7th, 1953, when he fell from a chair lift and the loading platform onto the ground.

In the trial, which began Monday and ended yesterday shortly before 3 p.m., Dieden had asked $25,000 personal injury damages.

Gerald E. Lewis of Truckee was one of the jurors hearing the case.

Mr. and Mrs. P. R. Murray have arrived from Merced to spend some time at their Tahoe Vista home.

Voters Asked To Make Decision On Local Airport

Questionnaires Are Mailed To Determine Wishes Of Residents

Voters in the eastern ends of Placer and Nevada counties, with their names taken from the great registers, have received ballots in the mail on which they may express their wishes as to whether or not the installation of an airport in the community is desirable.

The ballot and a summary of the research already done by the airport committee, headed by E. V. O'Rourke, give information for the guidance of the voters and were prepared by the subcommittee comprising Harold Welch, president of the Truckee chamber of commerce, chairman, and Fred Schultz of Kings Beach and Howard Dietz of Tahoe City.

The votes are not official and will simply indicate whether or not it will be worthwhile for the district committee to proceed with plans which will involve considerable time and effort.

Count Monday

Ballots must be mailed immediately as they will be counted on Monday, May 28th and the results announced the following Thursday in the Sierra Sun.

Everyone is urged to read the summary carefully and vote according to their desire.

As pointed out, the port will require an area a mile and a half long and at least 100 feet wide and aeornautic officials from the state and federal governments have given approval to a site on the Brockway road a mile south of Truckee.

Costs Shared

The cost has not been estimated but any bond issue and subsequent tax demand cannot exceed one tenth of a percent of the assessed valuation of the proposed district. The district would be required to finance only 46 percent of the cost while the federal government would pay 54 percent.

Congressman Clair Engle has long been an advocate of a Truckee-North Tahoe airport and is urging immediate action in getting the program underway. He has indicated he will carry the ball for the local committee in Washington in the procurement of funds and other assistance and will give all possible official support to the project.

State officials, including the state aeronautic board and the California Olympic Commission, have also urged action in providing an adequate, federal-district landing field at this time so that it may be used during the period before, during and following the 1960 Winter Olympics here.

Given Endorsement

Many other organizations, including all the local service clubs, the chambers of commerce and others as well as numerous individuals have gone on record favoring the project and the questionnaire is expected to result in a definite decision on future planning.

If the voters believe, as the committee does, that the port is vital to the future welfare of the region in competing with similar areas now equipped with federally supported airports and regularly scheduled flights of commercial planes as well as a landing strip for individual planes and flying schools, the vote should be yes.

Everyone, regardless of their desire, however, is asked to return their ballot at once so a decision can be made.

TORRENTIAL STORM HITS AREA SATURDAY

A torrential electric storm which struck this district Saturday evening deposited .75 of an inch of rain in a little more than an hour.

Televisions, radios and other electrically operated devices were put out of commission temporarily while the thunder roared and the lightning flashed nearby. Fortunately no damage was reported to streets or highways, although travel was slowed materially due to visibility and the fact that the rain fell so fast and hard it couldn't run off the pavement as fast as it fell.

The precipitation puts the figure well over the record of 49.50 inches in 1951-52.

State's General Fund Has Encouraging Look

SACRAMENTO —(CNS)— State controller Robert C. Kirkwood, said that California's general fund revenues at the end of ten months of the current fiscal year totaled an "encouraging" $796,021,239.

This was more than $92 million, or 13.12 percent, over general fund income for the same period of the preceding fiscal year.

"This is new evidence of the continued stability of our economy to date," Kirkwood declared.

General fund expenditures for the same period totaled $763,375,535, an increase of nearly $70 million, or 10.06 percent, over the first ten months of the 1954-55 fiscal year.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO -(CNS)— The report of Attorney General Edmund G. Brown on the alcoholic beverage control investigation in Southern California, while it is not news any longer, is in effect a fairly sordid story of what happens when the public, through inattention to governmental affairs, permits a situation to get completely out of hand.

The report, central figure of which is William G. Bonelli, former state board of equalization member, liquor czar in Southern California, and now a fugitive from justice in Arizona, reads almost like a "whodunit". It is replete with reference to "bag men" the Maffia, "campaign contributes and other references that go to show the administration of liquor affairs in the southern part of the state was sadly in need of a cleaning up.

The clean-up work has been done, but it needed a few jail sentences and action by the California legislature before a new type of administration was invoked over a year ago, so the report now concerns matters merely of history, which are written in thirteen large volumes of testimony obtained from principals in liquor cases in the south by investigators for the attornev general.

The fact that the report and investigation cost the taxpayers of California something like $100,000, however, indicates some lessons other than those which already have been learned, must be assimilated by the public to prevent recurrences of the undesirable mess of bribery and corruption which beset the southland in liquor matters.

Even though the present alcoholic beverage control administration has set up high standards for procuring a liquor license, and the state has increased the price, the door will be open for corruption and favoritism as long as liquor licenses are limited.

Fundamentally, there appears to be no sound reason why any citizen cannot engage in the liquor business, as long as it's legal to sell liquor, on the same terms that he engages in the grocery or meat business. The laws of supply and demand regulates the number of grocery stores and butcher shops, and despite the morality argument that too many saloons encourage over-indulgence, the same law, if given a chance to work, would over a period of time, regulate the liquor business.

Thus, elimination of the license as a paper of great value would put liquor on the same footing as any other business, subject to the same laws that determine the governing regulations of groceries, drugs, etc.

It is interesting to note that Bonelli, according to the report, was the original proponent, back in 1938, of the limit on liquor licenses of one to every thousand population. Later, the legislature wrote his proposal into state law.

Thus, the limitation, as any economist will vouch for, provided the vehicle for a monoply which eventually resulted in the overthrow of the monopolizer, cost many innocent people thousands of dollars, and created the scandals which rocked the very foundations of state government in California.

The attorney general's report is too lengthy to quote from here, but it is exceedingly good reading for those who hope to avert such reoccurrences in the future.

Rules On Installation Of License Plates Given

Two license plates are required on your car, one on the front and one on the rear according to the California Vehicle Code.

"This law applies to all makes of automobiles registered in California," declared Patrol Commissioner B. R. Caldwell, "and drivers of California cars with only one plate are subject to enforcement action."

The following rules were listed in connection with the installation of California license plates:

1. Two plates must be securely fastened to the vehicle, one in front and one on the rear.
2. They shall be mounted not less than 12 nor more than 60 inches from the ground in a position to be clearly visible.
3. The legibility of the figures shall not be impaired by any foreign material covering the plate.
4. The plates must be mounted on the vehicle for which they were purchased.
5. Motorcycles, power cycles, and trailers are required to have only one plate mounted on the rear.

Rocky Mountain National Park in Colorado contains 65 named peaks in excess of 10,000 feet elevation.

NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1956 to June 30, 1957 has been adopted by the fire commissioners of the Truckee Fire District, said budget being:

Maintenance and operation, $5,327.00.
Capital outlay $3000.00
Total, $8,327.00.

Said budget is available at the office of W. Rex. Thomas, at Thomas Jewelry Store, Truckee, Nevada County, California, for inspection of interested Taxpayers.

The fire commissioners of the Truckee Fire District will meet at the office of W. Rex Thomas, Truckee, Nevada County, California, at 10:00 A.M. June 18, 1956 for the purpose of fixing the final budget for the District.

At that time and place any interested taxpayers may appear and be heard in regard to the increase, decrease or omission of any item of the budget or for the inclusion of additional items.

Dated May 14th, 1956.

W. Rex Thomas, Secretary
Truckee Fire District—
Fire Commissioners
M17-24-31 J7

Tahoe Group Protests Redistricting Proposal

KINGS BEACH— A protest against the proposed redestricting of Placer County has been lodged with the county supervisors in behalf of the Council of North Tahoe Organizations.

The council acted last week to voice its disapproval. The proposed change in supervisorial districts would lump all of the Lake Tahoe area in Placer county within one district instead of the present two. The Tahoe area thus is represented by two of the county's five supervisors.

The council represents 10 community organizations in Kings Beach.

Thomas O. Larkin, first and only American consu lto the Mexican Government of California, arrived in 1831.

Troop Exodus

The biggest and longest troop airlift in history took place last year, reports the 1956 Yearbook of The American Peoples Encyclopedia. It was called "Gyroscope," a joint Air Force-Army operation in which 4,000 troops were moved from the United States to Japan, relieving 3,100 men who were flown back. Giant Douglas C-124 Globemasters were used in the move.

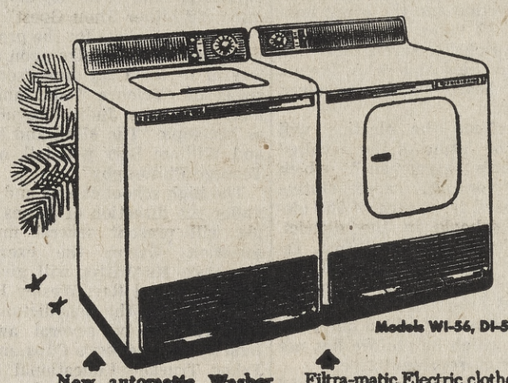

NOTICE

To owners of lots in the Truckee District Cemetery at Truckee, California.

The board of directors of the above district requests that no placing of headstones or copings be made on their lots without the written consent of the board.

W. M. Englehart, Sr.
Chairman
May 10-17-24-31

FRIGIDAIRE Washer and Dryer Combination

New automatic Washer with Econo-Dial. Live-Water Action, Float-Over Rinsing and Rapidry Spin get clothes sparkling clean and pounds drier; some ready for ironing.

THE BEST OF RIDES—FOR FOLKS OR FREIGHT

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Summer Arrives

With the clearing of cloudy weather here on Sunday we believe believe that summer really advanced from "just around the corner", and is actually with us permanently at last. The budding leaves on the trees and the dandelions in the grass seemed to spring out full-blown during the remainder of the weekend. The opening of fishing season inn the Truckee River on Saturday morning has increased the local population 50 percent (at least temporarily), and strings of fly size trout are being carried up Front street daily. No extra large fish have so far been reported locally caught, though it seems that a couple of star fishermen from Truckee took some big ones from the lake over the weekend.

Mother's Day

At the A.M. Henry home here this week the family are enjoying a belated Mother's Day visit with Mrs. Henry's mother and brother, Mrs. Mary Planett and son Fred, of Roseville. The Henry's inform us this week that they plan constructive activity for the coming fall season. They intend to move their main building back and to the side of their large lot, leaving a spacious front for business enlargement. Cement blocks will be used to construct a new modern service station here, and a great deal of new equipment is to be installed.

Votes Cast

On the election of a trustee for this area's Unified Schools Governing Board, the posted results are as follows: B. K. Miller, 43 votes; George Zorich, 28 votes; and Ray Fellows, 13 votes.

Children Ill

Many friends in this locality are sorry to here this week of the serious illness of two Tahoe youngsters. They are Elaine Wright, young daughter of Mr. and Mrs. R. S. Wright of this city, a student of the Tahoe-Truckee High School, and little Dale Mitchell, son of Mr. and Mrs. Imon Mitchell of Sunnyside, who is a second grade student in the Tahoe Lake School. Both children are reportedly confined in the Tahoe Forest Hospital with pneumonia.

Cars Collide

On the early morning of Saturday, May 16th, the unusual heavy fog which afflicts this locality only about once in three or four years, crept up the Truckee River canyon and spread out around the north-western lakeshore highway. On the river road, just south of Deer Park Lodge resort, it caused a wreck between two cars of prospective fishermen. The drivers were David McBride and Donald French who were driving close together up the river. It is reported that the front of McBride's car crashed into the back of the one driven by French. When they were hauled in it was found that McBride's car was very badly wrecked. It was thought the French machine could be repaired without too much expense.

Second Wreck

An hour or two later it was discovered that another wreck had occurred a short distance down the river, and seemed also to have been caused by the fog. It was estimated that this one had happened around midnight. A large Cadillac had gone over a steep bank and turned over in the river bottom below. It was said to be a complete wreck. The area around the wreck was searched carefully but no driver or passengers could be found. At this writing no one had yet been located who had any knowledge of this mishap. It was thought perhaps the driver, possibly injured, may have been picked up and taken to some hospital. The last information to reach here was that authorities were investigating and trying to locate the owner of the car.

Visits Post

MSgt. H. H. Palmer, from the office of civil defense in Reno Nevada, made his usual visit to the ground observor post here on Tuesday, and spent some time discussing important matters with Mrs. Marie Henry, supervisor of this post. He said that the Tahoe City post will be included among installaions of the Reno Air Filter Center on or about July 1st. At present this post is under Sacramento Air Filter station.

Scotts Back

Mr. and Mrs. Edward (Bud) Scott and family are again in their lakeshore home at Tahoe Park. They expect to spend the summer season there. Mr. Scott has just announced the completed publication of his new book on which he has been working for something like two years. The Saga of Lake Tahoe gives early day history of this region far back in the 1800's, and includes something over 400 interesting photographs. Mr. and Mrs. William Scott have also opened their summer place at Sunnyside Beach.

Motel Started

On the property of the old Villa in Tahoe City, the estate of the late R. M. Watson, which property was recently purchased and resold by Dr. S. M. Dingwall, the ground is being cleared this week for the building of a 20-unit motel, and construction is expected to start very soon. The property is said to be still owned by a Mrs. M. Russell of Sacramento, and the motel is to be built by the Kimes Motel Company of Monterey who have taken a building permit for $87,000 construction.

Purchases Property

During the past month Dr. Dingwall has purchased the only piece of property from the Watson estate remaining in town. It is the cliff-side lot where the original home of R. M. Watson still stands. The house is the oldest building still standing in this locality, and was built about the 1880. Dr. Dingwall purchased this property from Robert Watson, son of the late Tahoe pioneer, and he says he has no immediate plans for improvement of the place. The property in question is situated between "Edgecliff", the R. H. Watson log home, and land adjoining the Village Store, which piece of land the doctor also purchased a year ago.

Supervisor Visits

County Supervisor L. L. Anderson fo Forest Hill visited in and around Tahoe City during the past week. While here Mr. Anderson attended to general business and did a bit of campaigning on the side in view of the election which is now only two weeks away.

Golf Course Opens

We hear that summer openings during the past week included that of the Tahoe City Golf Course, which is being greatly enjoyed by both local residents and visitors; the White House, a popular summer resort at Carnelian Bay which serves the best of food to be found and is managed again this summer by Mrs. Gladys Marthaller, and the Tahoe Realty Company in Tahoe City, where Mrs. Ruth Droste, recently returned from a winter tour in the east, is now getting down to summer business.

On Talent Show

Miss Carolyn Henry, young daughter of Dr. and Mrs. W. F. Henry of this city, was a greatly applauded part of the program at the talent show given last Friday evening in the Brockway Theatre. Carolyn sang the well known Italian solo "Caro Mio Ben", and for an encore she followed this with "There Are Farries At the Bottom of the Garden".

Open House

Among summer residents who opened their homes here for the season during the past week were Mr. and Mrs. Stanley Bolton who spent last winter in Hemet, southern California. The Boltons were the former owners of Waleswood Lodge, and still own a home on the Tahoe Park lakeshore. Mr. and Mrs. Jack Smith have also returned for the season and are busy renovating their Tahoe Cedars Lodge and getting ready for an early summer opening.

Entertaines

Mrs. Dorothy Forbes has opened her beautiful home, "Blue Paradise", on the lakeshore near Carnelian Bay, and entertained friends there during the past week. Her near neighbor is Mrs. Fredrick Wyckoff of San Mateo who has also opened her Carnelian Bay home for the summer.

Last year in California

Taxes on beer more than equalled our public health costs

We Californians have always taken pride in the fact that our state is one of the healthiest places on earth. And we work hard to keep it that way—this year we'll spend about $15 million on public health projects.

That's a lot of money—but it's more than equalled by the $16,200,000 raised last year through state beer taxes. The brewers and distributors of the fine beers and ales sold in California contribute heavily toward the well-being of our state.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Burning Question

Here we are at the time when we have to watch our trash burning. A warning has been issued that any violations in this connection will be met with harsh treatment, no matter who the violator may be. When you get your permit, read it thoroughly, then there should be no trouble, if you abide by the law as it is written. Be interested in our forests and homes and human beings.

New Business

Now we hear that a factory for the manufacture of ceramics will be built at the foot of Brockway hill, Kings Beach. This should be quite a big project as ceramics are very popular these days. P. L. Waters of Covina will be the owner and I had the pleasure of meeting Mr. Waters and his beautiful wife a few days ago. They have either bought a home or will build in Carnelian Bay.

Party

While at Larry Ludlow's the other day, I had the pleasure of seeing his new cabins and they are really great, and by the way we— my wife and I— had another treat being invited to a cocktail party and a most delicious filet steak dinner with the Ludlows, with others in the party who were Mr. and Mrs. Bill Althof, Mr. and Mrs. Don Barkhurst, Mr. and Mrs. P. L. Waters, A. M. Crispan, Fred and Mrs. Baker, and it was more fun than a picnic.

Bouncing Checks

Bouncing checks are becoming more and more frequent. It is hard to believe but there have been around a score of them around the area already. It's a risky thing to accept a personal check, unless you know they are from reliable people so don't take a chance.

A Visiting Mother

Sure nice to see Florence Miles up here. She is staying with her daughter, Camey Althof. She will be here for a few days and it's just like old times to see Florence. She was one of our most community minded citizens only a few years ago.

Building

It looks like Tahoe City will soon be coming into its own again, according to reports of building prospects. They are already putting in the foundations for a real motel on the commons behind the P.O. and that is only one of many that we shall soon see cropping up.

T.V.

Irv Grahm of Reno has moved to Kings Beach and will be located at the rear of the North Shore Hardware. Irv is in the T.V. business. He was formerly with the Silver State Appliance in Reno.

Opening Up

Now the Brockway Hotel is showing signs of opening up as is the Brockway golf course. Had a visit with M. (Pete) Bennett and Mr. O'Callahan at the hotel. They have just arrived— Pete from Arizona and O'Callahan from Arcadia where they spent the winter. Both are looking for a big season at the lake.

Conventions

Several conventions are scheduled for the Lake area in the very near future. The county treasurer of the state will convene on June 20th at the Tahoe Tavern, Tahoe City, then the district attorneys from all over the state will convene at the Brockway Hotel, starting June 27th, 28th, and 29th and the coroners will be at the Brockway Hotel, but the date I am not sure of. Couldn't we use a good convention hall on the North Shore.

Show

The vaudeville show was held at the Tahoe Theater, Kings Beach, for the W.S.C.S. of the Community Methodist Church last Friday was a success with a very good show presented by the following participants: Jimmie Chastain as M.C.; Carol Henry, age 12, Caralee Olinghouse, 10; Scotty Campbell, age 5; a quartet consisting of Jimmie Chastain, Mildred Henry, Barbara Mallory and Rev. A. B. Covher. Diana Davis played the accordion. Mrs. Ruth Mizner accompanied all the way through. Victor McLain, trumpet; Helen Ellis sang a solo. The proceeds amounted to something over $150, and a great big thanks to everybody says Mrs. Judy and Millie Chastain.

Round The World

Just had a leter from Mr. and Mrs. Bradley L. Wallace of Brockway and San Francisco. They left on Tuesday last for a round the world cruise, on the cargo liner President Coolidge. They will be gone for about four months, and naturally will not be at Brockway this summer, or at least till the end of September. Friends will occupy their house during the summer.

New Sign

The new motel in Kings Beach has been named the Crown Motel and has a beautiful neon sign on the front. I notice that the Goldcrest Lodge had the old sign removed which has been replaced by a brand new beauty.

Wendy's Back

Wendy Schumacher has opened up his store known as the Tahoe Food Center at Kings Beach, and one of his assistants is none other than Ruth Stelzreide and its sure nice to see her back here to stay. Ginger, Mrs. Schumacher that is, is going to be in the beauty shop of Lillian King.

Grand Opening

Was visiting Gene Parsons and Steve Malcolm at the Sierra Lodge at Crystal Bay today and found them charming hosts and they tell me there will be a grand opening on Friday the 25th of this month. The club has been completely renovated and is not a bit like the old one of a year ago. As you know it is now absolutely under new management. Gene will run the bar and gaming, and Steve, who is world famed for his work of running a restaurant and has been matre de in many places including the Sugar Bowl, will operate the restaurants. He hails from the British Isles and is a pastmaster in concocting the most delicious meals.

POPPY SALE SET IN LAKE TAHOE AREA

CRYSTAL BAY— Chairmen Earl Gray and Virginia Kornazewich of Post 7077, VFW and the Auxiliary have announced plans for the annual Buddy Poppy campaign.

A staff of salesmen from the two organizations and other volunteers will be on the streets of Kings Beach, Crystal Bay and Tahoe City from 8 a.m. to 6 p.m. and special teams will be out from 6 p.m. to 9 p.m. at Kings Beach and Crystal Bay, Saturday, May 26th.

All solicitors will be identified with official arm bands or national buddy poppy caps to identify themselves.

Money collected from the sale of the poppies will be used for the national orphans' home at Eaton Rapids, Mich.; for disabled veterans making the poppies; a rehabilitation fund to aid veterans and for local post and auxiliary funds to be used locally for such purposes as community projects, youth and scholarship funds.

There is no set price for the poppies and everyone is urged to give what they can.

COMMAGERES WILL OPEN BLUE LAKE INN

TAHOE VISTA— Mr. and Mrs. James Commagere have taken over the management of the Blue Lake inn at Tahoe Vista. Both are well known restaurant people and will be welcomed into the district. They are extending an invitation to their many friends to drop in and get acquainted with their new establishment.

The opening has been set for Friday, May 25th.

The N. S. Nolls have recently moved from Pasadena to Palm Springs.

UNDER NEW MANAGEMENT

The SIERRA LODGE

Crystal Bay, Nevada

Will Have A

GRAND OPENING

FRI., MAY 25

FROM 7:30 TO 8:30 THERE WILL BE A FREE COCKTAIL HOUR, WITH YOUR HOSTS STAN PARSONS AND HIS SON, GENE. A ROYAL WELCOME AWAITS YOU AT ALL TIMES.

The dining room will be under the management of Steve Malcolm, who for the past four years was matre de at the Sugar Bowl. Steve promises only the best of foods, the finest steaks, etc.

HE IS THE MAN YOU WILL WANT TO MEET SO ATTEND THE GRAND OPENING.

Truckee Leads In Highway Travel

Travel into California over Highway 40 continued an unward trend last month and set a new record for April with a total fo 29,454 cars, 3,463 trucks and 599 buses, the monthly report from the department of agriculture shows.

The figure for last month represents an increase of more than 5,000 vehicles over March and nearly 4,000 more than were checked during April last year.

The Truckee quarantine station was in second place as a port of entry into California, exceeded only by Yermo which reported 49,366 cars going into southern California.

Highway 50 at Meyers shows a gain of nearly 1000 cars over April of last year, but fell off slightly from March this year. The Meyers quarantine station checked 8,304 cars, 280 trucks and five buses last month, compared to 8,598 cars during March.

Over the state as a whole travel last month showed a decline compared to a year ago with 249,591 cars, 28,804 trucks and 3,390 buses last month as compared to 262,565 cars, 26,298 trucks and 3,521 buses a year ago.

Either-Sex Deer Hunt Not Effective In District

Although the state fish and game commission has determined on a three-day either-sex deer hunt in this district during the coming season, the ruling will not apply to the east slopes of the Sierra.

In other sections of the state, the three-day either-sex hunt will include the final three days of the season, this district being from September 22nd through October 28th, with October 26th, 27th, and 28th being open to either sex.

Special tags will be issued for those taking antlreless deer and only one anterless deer will be allowed per season.

In this area the archery deer and bear pre-season will be from September 8th to 17th, inclusive. Limits will be the same as for the gun season.

The commission will meet in Los Angeles May 25th to give determinations and final consideration.

NOTICE TO CREDITORS

In the Matter of the Estate of VERNON C. SHATTUCK, also known as V. C. SHATTUCK, Deceased, No. 5669

RENO MAN NAMED TO AID OLYMPICS

RENO— George Wingfield, Jr., of Reno has been elected as a member of the board of directors of the eighth Olympic Winter Games Organizing Committee, it was announced by Mayor Len Harris.

Mayor Harris said that Wingfield has been elected as the first member of the group from outside California. This group will be responsible for staging the 1960 games at Squaw Valley. The appointment was made following a meeting between the mayor and Prentice C. Hale, Jr., of San Francisco, president of the organizing committee.

Hale was in Reno with Alan E. Bartholemy, executive director of the organizing committee, for a conference with Mayor Harris regarding plans now under way for the development of Squaw Valley. The mayor said that Wingfield was chosen because of his wide experience with the local situation related to winter activities.

Vehicle Registration In Shows Business Trend

SACRAMENTO —(CNS)— Motor vehicle registrations during January and February point to highly favorable business conditions in California for 1956, the state department of motor vehicles reported.

The department said registrations during the two months totaled 5,950,489, an increase of 492,466 over the same period of last year.

Fees collected this year amounted to $159,978,854, compared with $142,059,361 for the first two months of 1955.

According to the department, an increase in the average fee paid by California motorists this year indicates they generally are driving newer cars than in recent years. Less than 30 percent of the registered autos have been in operation for more than 10 years.

Floriston Boy Takes Part In Celebration

FORT LEAVENWORTH, KAN.— Pvt. George E. Newhouse, son of Mrs. Genevie Egolf of Floriston, recently participated with the 1st Infantry Division in the 75th anniversary celebration of the Army's Command and General Staff College at Fort Leavenworth, Kansas.

Newhouse, a rifleman in Company A of the division's 16th Regiment at Fort Riley, Kansas, entered the Army in September 1955 and completed basic training at Fort Ord, Calif.

8.8 Increase In Travel In State Reported By Division For Last Month

SACRAMENTO —(CNS)— This may not be news to the motoring public, but the state division of highways said monthly traffic counts for April, 1956, showed an 8.8 percent increase over the same month a year ago.

The counts also show an increase of 3.5 percent over March of this year. Based n a five-year average, April counts normally show an increase of 7.4 over March.

For the first four months of 1956, the monthly counts show an increase of 7.1 percent over the same period of 1955.

Comparing April, 1956, with April, 1955, passenger vehicles increased 6.9 percent and freight vehicles show an increase of 17 percent. Freight vehicles represented 20.4 percent of the total week-day traffic.

It was pointed out that the 8.8 percent increase may not appear impressive, but figuring some six million vehicles registered in California, this would mean 704,000 vehicles compared to the total. And while they may not all be on the road at the same time, the increase is substantial enough to create more traffic hazards.

CERTIFICATE OF FICTITIOUS NAME

KNOW ALL MEN BY THESE PRESENTS:

That I, KENNETH H. FREDERICKSEN, Box 225, Truckee, California, residing at the East end of Donner Lake, County of Nevada, State of California, adjacent to U.S. Highway 40, do hereby certify that I am the sole owner and proprietor and doing business under the firm name and style of OIL CITY, a service station located near the East end of Donner Lake, Nevada County, California.

When you keep the crankcase in your car or other gasoline engine filled with Heavy Duty RPM Motor Oil, you get extra protection against the main causes of engine wear and repair. Here's why:

A detergent in "Heavy Duty RPM" prevents deposits of carbon, gum, and lacquer on cylinders, rings, and other parts. Other compounds resist oxidation and sludging, prevent corrosion and stop foaming. So to get more miles and more years of service, remember to always use Heavy Duty RPM Motor Oil.

STRICTLY STRICKLAND

By Bill Strickland

About 60 Truckee Rotarians, including their wives took over Donner Summit Lodge Monday Night for their ladies night banquet. This lodge which sits high up in the Sierras is becoming more popular with every passing day. Next week a tri-club meeting will be held there. The three clubs participating being Nevada City, Grass Valley and Truckee. We can well understand the popularity of the Lodge for dinners and meetings. Away from the heat, it affords not only meeting purposes but is also ideally located for fishing and hunting trips or just plain lazying.

There is still too much snow on our mountain top for construction projects to get started, but several are in the wind. The Sugar Bowl will begin the double chair lift up Mt. Lincoln. Soda Springs Ski Corporation is removing the old J-bar lift and will replace it with a poma lift. Soda Springs Hotel and Beacon Hill Lodge will be joined by the construction of a central dining room, kitchen and lounge. More spaces will be added to the old Donner Trail-er Park at the Donner Summit Lodge. All in all there will be quite a bit of activity this summer.

We have just returned from a 25th Silver Anniversary school class reunion at Berkeley's Claremont Hotel. Really a lot of fun seeing old classmates again. Some for the first time in that 25 years. We remembered a lot of them. Some were tall, skinny kids with all their hair. They are now just as tall, but worried about all that excess weight they are putting on around their middle and as a result losing some— if not all— of that mop of then unruly hair. Had a swell time, but could hardly believe that 25 years had actually passed.

Mr. and Mrs. Jess Taylor are at Tahoe City, returning from Butte City where they spent several months.

Mr. and Mrs. J. C. Robertson of Kings Beach district have as their guests this week, Mr. and Mrs. Grover Stevens of Woodland.

FIRST AID CLASSES AT BIG BEND SOON

TAHOE CITY— Mrs. Marie Henry, first aid inspector in the Tahoe Area, reports this week that there will be a class of first aid, for instructors' training, given by the Forest Service at Big Bend at 8:30 a.m. on the three following dates— May 28, 29, and 31. The daily sessions will be held from 8:30 a.m. to 3:30 p.m.

Any one holding current standard and advanced first aid cards, and wishing to take advantage of this course to become a first aid instructor are welcome to attend. This course is said to be certain to bring new methods of instruction to the teachers of first aid. Anyone wishing to share a ride from Tahoe City to Big Bend is advised to notify Marie Henry at the Tahoe City Garage, Telephone 70.

Mrs. Henry, who is also a director of the Placer County Board of Health for this area, motored to Auburn on Monday for the purpose of attending the board's meting to be held there on that evening.

Ladies Night Observed At Brockway Rotray

KINGS BEACH— The Rotary Club of Brockway's ladies night held in joint session with the Tahoe City Club on May 21st was a success with 134 Rotarians, ladies and guests present. The dinner was served in the Crystal Bay Club's new dining room.

The program was supervised by Hank Dodd. Bob Dill of Reno assisted by his wife, Jerry, gave an exhibition of expert archery. Dill's skill with the bow and arrow is actually uncanny at times. For instance when he shot at two revolving targets, hitting both with one arrow. Bud Mandeville volunteered for a couple of experiments and he was glad when they were over.

The meeting was presided over by President Bill Randall of the Brockway club assisted by Fred Baker and Basil Kehoe.

Judy Loynd of the graduating class of the Tahoe Truckee High School has been given the annual award of the Reader's Digest Association for students who, by their successful school work give promise of attaining leadership in the community, it was announced today by vice-principal Con Briner.

Miss Loynd will receive an honorary subscription to the Reader's Digest for one year and an engraved certificate from the Editor, "in recognition of past accomplishment and in anticipation of unusual achievement to come."

The award to Miss Loynd, who is the daughter of Mr. and Mrs. E. L. Loynd of Truckee, was made possible through the cooperation of Briner and his teaching staff. They selected her to receive the award, designed to stimulate scholarship, citizenship, and continued contact with good reading after graduation.

Al Henry Gets Honors At Mechanics Meeting

TAHOE CITY— Albert M. Henry, Jr., of this city was one of the fourteen graduated mechanics to be honored with a banquet given in Reno on the evening of Saturday, May 12th. The party for this occasion was sponsored by the Gardner Automotion Parts Co. of Reno and handsomely embossed certificates were presented to those who had successfully completed the difficult course of several weeks.

Young Henry's certificate is inscribed and signed as follows: "Advanced training for mechanics — Auto Mechanics Institute approved. To all to whom these presents shall come: Greetings. Be it Known that Albert M. Henry Jr. has completed the course of training as prescribed by Mechanics Institute for those engaged in performing service operations on hydramatic equipped cars and trucks. This certificate has been issued as an award of merit for having successfully completed this course of instruction; In testimony whereof we hereby affix our signatures.—

DOG VACCINATION SET FOR MAY 28-29

TAHOE CITY— Dr. Stuart Dingwall of Tahoe City will hold special clinics at his offices on the Truckee river Monday and Tuesday, May 28th and 29th for the purpose of vaccinating dogs against rabies. The clinic will be held between 9 a.m. and noon and 2 p.m. and 5:30 p.m. on each of the two days.

The usual vaccination fee will be reduced during the clinic to give everyone a chance to comply with the Placer County ordinance requiring animals to be vaccinated.

Poundmasters, under the ordinance are empowered to capture any dog not showing evidence of vaccination.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

May 14th, 1956

To Whom It May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Tourist Liquor Store, Truckee Cal.

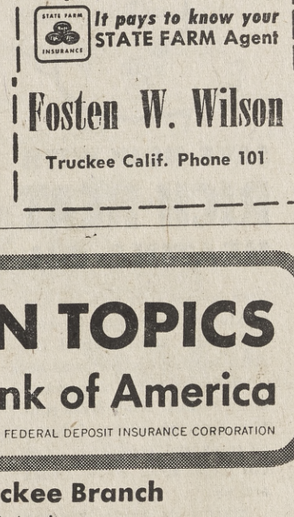

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license for these premises as follows:

Off-Sale General License

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

WHAT'S DOING

Charles F. Berlenbach, Jr., Telephone Manager in Truckee

George Hutchins, Grass Valley Telephone Company Manager, pays Company taxes to Elma Hecker, Tax Collector of Nevada County.

* * * * *

What makes a company a good citizen?

We, at the Telephone Company, often ask ourselves what makes a good citizen because both as men and women and as a Company we want to be the best citizens we can. A good citizen pays taxes, of course. And, naturally the Telephone Company does this, paying property taxes of $45,273.69 last year in this county alone. As you know, this money comes from the telephone bills you pay. And the tax dollars we pay are dollars that contribute a substantial amount to good government in the community. But we believe it's not enough just to be a taxpayer. So we try to do our part in the community in other ways. We think it is important to take part in the activities of the Community Chest, the Red Cross, the Boy and Girl Scouts and other community affairs. Fact is, we believe the ways of being a good citizen are unlimited and we're anxious to do our part.

Wish them well—by long distance

A wedding is one of the most important events in their lives. And a long distance call, wishing them well as they step out together, will make them feel extra good. For occasions like this or when you just want to take a few minutes to say hello to someone special, long distance is the warm and close way. Why not look in your directory and see how very little it costs to call someone very dear to you.

DO THEY KNOW *YOU* IN TIMBUKTU?

Probably not—but *anywhere* you go they'll know your Bank of America Travelers Cheques! These handy, self-identifying Cheques are bound in a convenient, pocket-sized wallet. You can cash them, just by signing them, at banks, hotels, gas stations or stores everywhere you go. If you're planning a vacation trip or some holiday weekends, take them with you to protect your travel funds against loss or theft. Ask for them at our branch.

TAKE IT EASY...

. . . and pay all your bills at home, all at once and when *you* want to. How? With a Bank of America checking account. Paying by B of A regular or Ten-plan check is the simple way to end the worry of having your cash stolen too . . . there's no need to carry large sums with you or to keep it around the house. Your checkbook stubs give you a complete, accurate record of your expenses . . . help you with your budget and tax returns. And bill-paying is easy as pie—even when you're ill, vacationing or out of town. It's easy to open a checking account at our Branch. Why not do it soon?

B of A Quiz Corner

DID YOU KNOW THAT our Bank has Trust Department offices conveniently located all over the state? They are helping thousands of Californians with modest means plan for the future welfare of their families and to manage their property. Why not let us arrange an interview with one of our Trust officers, at your convenience and at no obligation.

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY

KINDERGARTEN: We are enjoying outside play during our warm spring days.

FIRST GRADE: Bruce King has a new baby sister. Her name is Ellen. Timmy McLane has a ney sister also, and her name is Heather May.

We learned a new folk dance during physical education period thisweek. It is called "How to You Do My Partner". Ronnie Kyle, Gary Kehm, Ronnie Walker, Eddie Steele, Karen Hedlund, Patty Deming, Cathy Braley and Sharon Peterson did the dance very well.

SECOND GRADE: We play kickball during physical education period. Douglas Nelson is captain of one team and Joanne Costa of the other.

We are sorry Eileen Olson has been sick in the hospital. We wrote letters and drew pictures for her.

THIRD GRADE: Those who made a perfect score in spelling this week are: Judy McGwinn, Marcia Leamon, Mike Ingalls, Douglas Hagens, Tony Kenyon, Steve Davis, Gary Sturcke and David Fordham.

In arithmetic part of the third grade are starting to learn multiplication. The following pupils are in this group: David Sorani, Eddie King, Billy Kyle, Douglas Hagens, Judy McGwinn, Gary Sturcke, Mike Ingalls, Steve Davis and Tony Kenyon.

FOURTH GRADE: The fourth grade boys have been practicing softball this week. We have two teams. They are: Ronald Brown, Steve Besio, Kenneth Stumbaugh, Leonard Hensley, Chuck Hill, David Notley, Jamie Hamilton, Richard Sorani Jim Randall, Wayne Arterburn, Bob Frates, Dennis Deming, Dick Ingalls, Karey Kielhofer, Robby Kaspian, Gary Costa, Jack Arterburn and Daryl Breakfield.

FIFTH GRADE: Our boys played a game of softball against the sixth grade team and won. Later, the fifth grade girls were defeated by the sixth grade girls. Good sportsmanship was shown by both classes at both games.

The fifth grade boys' team were: Kenneth Lloyd, Juaquin Fuentes, Lloyd Kunkler, Gene McGihon, Joe Straub, Dennis Whiteneck, Robert Hobbs, Joe Parkhurst and James Grady. Scorekeepers were Jerry Kirby and Darby DeLisle.

Captains for the girls' team were Pamela Rose and Ellen Patnoude. Team members were: Patsy Jensen, Shirley Patton, Kittie Ellis, Secorra Marroquin, Virginia Barnes, Diane Kaspian, Kathleen Curran, Helen Kohl, Janice Roth. Scorekeepers were: Juaquin Fuentes and Kenneth Lloyd.

....SIXTH GRADE: Softball is king of the playground since spring arrived. As a result we have had round robins of three teams a week. Currently, Terry Ellis's team is leading with nine runs, followed by Terry Walker's and Dana Hamilton's teams respectively.

The class is busily preparing for their graduation from the elementary school. The class finally decided to have a dinner-dance at Smart's Restaurant on June 7th, and, also to attend the late showing of a Disney picture. The committee for arrangements is composed of Lila Frates, Karen Smart, Mike Armstrong, Stephanie Cozzi and president Barry Leamon.

KINGS BEACH

KINDERGARTEN: On Friday, May 18th, we held our pre school roundup. The following children were present to registerr for entering the kindergarten next fall. Nickie Bailey, Sharon Brooks, Patciani, Kathy Critchley, Lyle Draney, Tommy Ellis, Stevie Krips, Sandra Martin, Stanley Mason, Kenneth Muchetto, Madeyln Mulline and Bobby Powell. Those who were unable to be present at the roundup, but will be in school in September are, Valerie Kessler, Nat Palmer and Debbie Omlar. Dr. Sklar, Audrey Welch and Mrs. Patnoude were present to give each child a physical checkup.

An addition to our first grade roster is Charley Hawkins. Charlie comes from Winnemucca, Nevada.

SECOND AND THIRD GRADES: The new second grade boy is Donnie Hawkins. Donnie came from Winnemucca, Nevada.

Bruce Templeton brought a dozen pencils to share with us.

The main activity on the playground this week has been marble playing. The best marble players are Ronnie Baker and Chris Althaf.

FOURTH, FIFTH AND SIXTH GRADES: Monday th eclass started a new social study unit having to do with fire and its control. Mr. Nelson Stone, assistant fire control chief for this area help with the unit.

Bobby Howell brought to class his folk dancing records.

DONNER TRAIL

Letters are still coming in from all over the United States telling our school of the activities of other schools and in most cases each school sends us some sea shells from their area.

We have been studying the mineral resources of our state of California.

Gradually the playground is coming out from under the snow. We have been playing volley ball and this is the first time we have been able to play outside this year.

TAHOE LAKE

KINDERGARTEN AND FIRST GRADE: Armen Abrahamian and Vicki Jones in first grade at Tahoe Lake School topped the class this week by getting the only 100% star papers in the 16 word review spelling test.

We have some new children who are really old friends coming back. They are Jackie McCann, Skippy Scott and Diane McBride.

SECOND, THIRD AND FOURTH GRADES: Mrs. Farr told the children about Australia and the class recorded.

FOURTH, FIFTH, AND SIXTH GRADES: This week our class began studying about communication. They first defined communication. Then they discussed which phases of the subject they would like to know more about. Many interesting topics were suggested. Each pupil had the choice of working alone on a particular subject or with one other person.

CERTIFICATE OF PARTNERSHIP TRANSACTING BUSINESS UNDER A FICTITIOUS NAME.

The undersigned, DAVID C. ROSE, Z. D. ROSE and HARVEY L. HOCKER, hereby certify that the undersigned are transacting a general retail grocery, meat and produce market and variety store at Gateway, about one mile westerly from the Town of Truckee, in the County of Nevada, State of California, and are about to transact a similar business at 100 Alliance Road, in the City of Arcata, County of Humbolt, State of California, under the firm name and style of "Z Markets"; that the names in full of all the members of such partnership are David C. Rose, Z. D. Rose and Harvey L. Hocker; and that the place of residence of each of said partners is as follows:

David C. Rose, residing at High Street, Truckee, California;

Z. D. Rose, residing at 4145 Montgomery Street, Oakland, California; and

Harvey L. Hocker, residing at Gateway Park, near Truckee, Nevada County, California.

That the principal place of business of said partnership is at "Z Markets", Gateway, near Truckee, California.

That such business was commenced on the 1st day of January, 1956.

IN WITNESS WHEREOF, said David C. Rose, Z. D. Rose and Harvey L. Hocker have hereunto set their hands and seals, this 30th day of April, 1956.

David C. Rose (Seal)
Harvey L. Hocker (seal)

In Truckee

Cheaper Wages Cheaper Materials HIGHER Water Rates

A comparison of the water rates in Truckee back in the Good Old Days of 1909 when labor was getting $2.00 per day and pipe and other water materials were over 400 percent cheaper than today shows that the present day water rates are cheaper.

cost in	1909	1956	Saving
6,000 gals per month....	$ 3.87	$ 3.00	$ .87
10,000 gals per month....	5.87	4.00	1.87
25,000 gals per month....	12.10	7.00	5.10
50,000 gals per month....	20.32	11.00	9.32

Dollar for Dollar the cheapest necessity a family pays for today is water.

An assured supply of pure water and good service is essential to the growth and development of a community and your District is constantly striving to meet and anticipate this demand. This can best be done by rates that will enable your district to maintain the system in an efficient and business-like manner.

Your Health Department

— 0 —

Among the many projects which your supervisor has supported for the best interests of this as well as other districts in the county is an adequate, low-priced Health Department.

We have recently entered into a contract with the State of California for what we believe to be a comprehensive plan and one which will fill our every health need. It provides that the county supply (at a cost no greater than is currently being expended for our health service) the following:

1. Salary of part-time Health Officer.
2. Mileage of part-time Health Officer.
3. Salary of clerk. Full or part-time.
4. Office space.
5. Utilities, including telephone, etc.
6. Office furniture — optional but preferred.

The State would then provide and pay for the following:

1. One or more full-time Registered Sanitarians.
2. One or more full-time Public Health Nurse.
3. Medical and administrative supervision.
4. All transportation and expenses for the above State personnel.
5. All medical and other supplies— (office supplies such as stationery, etc. preferred to be supplied by County, but optional).
6. All laboratory services, and srevices of all divisions of the State Department of Public Health.

This is only one of the services for which your supervisor is fighting. He also is constantly working for better roads and streets, and this year we are able to report a new system will be inaugurated in the Meadow Park area to give the residents there adequate streets. Others will be improved and repaired.

IF, AT ANY TIME, YOUR SUPERVISOR CAN SERVE YOU BETTER, FEEL FREE TO CALL UPON HIM

JOHNSON POINTS TO LEGISLATIVE WORK IN BID FOR SUPPORT

The important role of the legislature in the post-war development of California was reviewed today by State Senator Harold T. (Bizz) Johnson of Roseville, who pointed out that despite the tremendous demands on state government which have been made since the close of World War II, the legislature has provided adequate services without any state tax increases other than a slight raise in liquor taxes and an increase in gasoline taxes for highway development.

"When we recall the many expansions in state government services which were made necessary by the population growth which we have had in California, the achievements of the legislature in meeting these needs has been outstanding," Senator Johnson declared.

"During that period the population of the state has grown from the less than 7 million before World War II to an estimated 14 million today," Johnson pointed out.

"Such a gigantic growth created needs far beyond the ability of local governments to provide, with the result that the state has been required to step in and assist.

"In connection with our schools alone, the state has authorized bonds totalling more than $600 million to assist local districts in constructing classrooms.

"At the same time state assistance to local school districts for the school program has been doubled. Millions have been spent expanding our university and colleges, and scholarship grants have been authorized for students unable to gain admission to our crowded colleges and university.

"Schools have been only part of the problem. In the post-war years we are spending more than $100 million every year for highway development. We have been required to provide hospitals for our mentally ill as well as to assist local governments in obtaining hospitals to care for the general public. We have had to provide prisons and other public buildings for the other functions of government. In the public building sonstruction program alone, more than $500 million has been spent in meeting our needs.

"Recreational needs of the population have not been neglected during this period and millions have been provided for the development of beaches and parks for the public use.

"During this period, too, we have achieved greater efficiency in government by the reorganization of various state agencies such as the new departments of motor vehicles, highway patrol, veterans affairs, fish and game, and water. Other agencies which have been reorganized include the board of equalization, the franchise tax commission, and the purchasing division.

"Much improvement has been made in the judicial system of the State through the court reorganization program and the establishment of the judges' salary formula.

"Other problems which have presented themselves, principally due to population growth, such as air and water pollution, as well as rapid transit, have been or are being met through the creation of new agencies to deal specifically with these matters."

Citing the California veterans home loan program as the best veteran program in the nation, Senator Johnson said, "We can be proud of this program which does not cost the taxpayer one cent but provides tremendous benefits for the veterans as well as the community by assisting the veterans in obtaining quality homes at low interests rates."

Johnson also related the increased assistance the state has provided for the aged and the blind and for the needy children. In all of these programs the state has attempted to provide adequate assistance for the unfortunates. California pays its employees and assists its citizens better than any other state.

"It has been my privilege and pleasure to have served in the legislature during these trying years and to have taken part in these developments."

Johnson said he was particularly pleased with the consideration Nevada, Sierra and Placer counties received from the legislature during the 8 years he has served in the senate.

During that period the state has assisted the counties by the establishment of armories, fair facilities, schools, beaches and parks, wildlife restoration, highways and last but not least, the 1960 Winter Olympics appropriations.

VEHICLE OWNERS WARNED ON LAW OF RESPONSIBILITY

SACRAMENTO— State Motor Vehicles Director Paul Mason again reminded California motorists of a new law which could "ground" not only the driver but the auto of a financially irresponsible person involved in accidents causing property damage, bodily injury or death.

The new act, which goes into effect July 1st, requires the department of motor vehicles to suspend the registration and license plates when the driver or owner of a vehicle involved in a reportable accident fails to comply with the security requirements of the law.

A reportable accident, Mason explained, is one resulting in death, injury or property damage in excess of $100.

California's new financial responsibility law was passed in 1948, and originally applied only to the driving privilege of persons who were unable to satisfy damage judgements growing out of accidents for which they were to blame.

"Every driver involved in an accident in which there is death, injury or property damage in excess of $100," Mason said, "is required by law to report the accident to the department of motor vehicles on a regular form available from the department, law enforcement agencies and insurance companies. The DMV does not place blame. That is the province of the courts.

"This security phase of the law is known as proof of ability to respond in damages. Such proof may be either an automobile liability insurance policy, a surety bond or cash deposit with the state treasurer.

"Failure to post the security required," Mason added, "may result in suspension of the driver's license and the owner's registration certificate and plates. In such a case, the registration card and plates must be given up to the department, and the car must be stored at the owner's expense for the term of the suspension."

SCHOOL TENNIS TEAM LOSES TO LASSEN 8-2

Tahoe Truckee High School's tennis team dropped their first match ever played by the young school last Friday, being defeated by Lassen High, 8 to 2. Coach Jim Brehler, starting track and tennis both this year for the first time to replace baseball in the interscholastic program, had only two short weeks to work his squad out before this match, but all members showed good promise and hope for a strong net team in the coming years. There were no seniors on this year's squad of seven men.

The Wolverines managed to win two of the scheduled 10 matches, at Tom Sheehan defeated Richins, 5-7, 8-6, and 6-0. Ken Lavery followed with a singles win over North by scores of 6-3, and 6-1. Doug Wilson, playing in the number one spot for Tahoe Truckee, played a fine game against Lassen's number one boy, with Wilson dropping the match by scores of 4-6, and 3-6.

No block awards were given for the sport this year, but it is hoped that a full tennis schedule can be developed next spring to go along with the track program, thereby adding another interscholastic event to Tahoe Truckee's athletic program.

No Date Set For Start Of Floriston Freeway

No definite date for the start of a 5-mile freeway section between the Nevada state line and Floriston has been announced but the division of highways at Marysville said it will be "later this year." The route has been approved and funds have been appropriated for its construction.

The 5-mile section will tie into the four lanes in Nevada on U.S. Highway 40 and later will be joined by a 15-mile freeway extending from the east end of Donner Lake to Floriston. The latter section has been approved in its previously announced location and is expected to be given its final okay at a meeting of the state highway commission in Sacramento, June 17th.

CHURCH NOTES

Mr. Ed Grant will preach for Rev. Wesley Osman this Sunday at the Truckee Community Church. His topic will be, "The Door to The Kingdom".

There will be no Youth Fellowship meetings this weekend.

The Women's Society of Christian Service will hold a rummage Sale in the basement of the church on Monday and Tuesday, May 28th and 29th. Anyone having any salable clothes or materials please call Mrs. Ben King at 63, Mrs. Jack Ellis at 25 or Mrs. Osman at 233. If the goods can be dropped off at the church basement that would be prefrered.

Rev. Wesley Osman entered Tahoe Forest Hospital Wednesday for an operation.

RATED FIRST

CONGRESSMAN CLAIR ENGLE, candidate for re-election in the June 5th primary, is rated as one of the outstanding California congressmen by the California Congressional Recognition Plan, a privately endowed non-profit educational organization recently established to evaluate the accomplishments of the 30 California representatives. Engle has represented the Second District since 1943. He is chairman of the committee on Interior and Insular Affairs which handles legislation pertaining to irrigation, reclamation, mining, livestock, lumbering, recreation and public lands.

Tahoe Regatta To Be Held July 7th With Many Entries

TAHOE CITY— The annual Lake Tahoe Mile High Regatta and Gold Cup Race will be held July 7th.

This year the date has been advanced and it is anticipated that at least eight big, unlimited hydroplanes will compete for honors off the pier of the Tahoe City Boat Company.

Ted Jones of Seattle, speed boat designer, has notified Fred Main, chairman of the Lake Tahoe-Sierra Chamber of Commerce committee, that the finishing touches are being put on three new racing hulls for west coast owners.

At least two of Henry Kaiser's boats will be in the running for the gold cup, while J. Philip Murphy's champion Breathless, will be out to defend its record.

Under rules set down by the American Power Boat Association, which sanctions the Tahoe meet, no more than six unlimited hydroplanes may run in any one heat. That means that only six of the big boats will be qualified for the races. The qualifying runs will be staged on Friday, the day prior to the regatta and may even be backed into Thursday, Main said, depending upon the number of boats seeking position in the races. The qualifying matches should provide plenty of thrills for the drivers and spectators, since points are awarded top qualifier of the meet.

Two or three boats will be designated as alternates and will be in readiness for immediate entrance should trouble befall the regular qualified crafts during the regatta.

The race on July 7th will include events for all classes of powered boats from the unlimited hydroplanes down to the crackerboxes.

Other committeemen to work out details will be named following a June 1st meeting of the Lake Tahoe-Sierra Chamber of Commerce.

In Capital—
Supervisor and Mrs. H. G. Loehr are spending this week in Sacramento and other California cities combining business with a brief vacation.

At Sacramento—
Sergeant Frank Snyder of the Truckee Squad of the CHP was with his family and friends in Sacramento during the weekend.

Clerk is Ill—
Mrs. Lassie Patterson, clerk at the CHP office here is recovering from an attack of pneumonia at the home of her parents in Grass Valley.

PATRONIZE ADVERTISERS

MRS. HERMAN WILKIE DIES IN BAY DISTRICT

DUTCH FLAT— Mrs. Herman Wilkie of Alameda passed away May 11th in the bay city.

Mrs. Wilkie was well known here, where she spent several vacations with her late husband, who was a native of Dutch Flat.

The early years of her marriage were spent in Truckee where Mr. Wilkie was in business. She was the former Crystal Plummer, daughter of a prominent family and owners for many years of the Crystal Salt Works in Newark, California. Her brother, the late W. A. Plummer, owned the W. A. Plummer Manufacturing Company, in San Francisco.

Mrs. Wilkie is survived by two daughters, Mrs. David Lasley of Santa Rosa and Mrs. Lauren Grunewald of Alameda, four grandchildren and two great grandchildren.

TAHOE CITY ROTARY HAS BUSY SESSION

TAHOE CITY— At the regular dinner-meeting of the Tahoe City Rotary Club, held at the Tahoe Inn on Tuesday evening, May 15, President Steve Korich presided over a gathering of 30 members and the following visiting Rotarians and guests: visiting Rotarians were Pete Van Ness, of New Jersey and Don Huff of the Woodland Rotary Club who is also the summer manager of Homewood Resort.

Guests of Huff were Roland Bernard and Paul Hunt, residing at Homewood for the summer. A guest of the club was Jack Stowe of the Tahoe City State Park, who passed out new folders of several California state parks. He also brought with him a movie film of state parks which was shown as entertainment. Basil Kehoe was program chairman for the evening.

Here For Summer—
P. J. Zydner of Bakersfield is spending the summer in Truckee.

At Donner Lake—
Mr. and Mrs. William Storkman of Woodland have been recent Donner Lake visitors.

Mother Ill
Mrs. Jack Ellis went to Long Beach last week to visit Mr. and Mrs. Don Ryan when she received word that her mother had been taken ill.

Has Operation—
Donna Barnes, young daughter of Mr. and Mrs. Harry Barnes, is recovering at the Tahoe Forest Hospital following an appendectomy performed Tuesday evening.

Peterkin Here—
Retired Captain Peterkin, formerly with the highway patrol here, accompanied by his son and his son-in-law, all of Roseville were fishing in this area yesterday.

Mr. and Mrs. Howard Vaughan and children who recently left Tahoe City are now located in Johnsondale, Tulare County, California.

Mrs. Edna Marsden of Laguna Beach has opened her house at Meeks Bay.

Harold Feakins is coming this week from Antioch to stay at Tahoma for several weeks.

Meet In Capital—
Charles Heller will go to Sacramento during the weekend on business and meet Mrs. Heller who has been in Long Beach for the past week.

At Conference—
Elizabeth Bavier, postmaster of Truckee, has been attending the postmasters' conference held this week in Sacramento.

Newest Book On Tahoe Donated To Library

Thanks to Mrs. Carl Bechdolt, Sr., and Willard E. Powner the Tahoe Truckee Community Center Library has a copy of the new revised edition of George Wharton James' book The Lake of the Sky. This edition, published by Powner of Lake Tahoe and Chicago, is the first revision and second printing of the original published in 1915.

This book is one of the most comprehensive works on Lake Tahoe and the surrounding area. It gives much history of the glacial significance of the lake, its discovery, and the Indians who inhabited the area. This revised edition includes many photographs that did not appear in the original.

Tarzan

by EDGAR RICE BURROUGHS®

TARZAN HAD NO SOONER PONDERED OVER THE POSSIBLE RETURN OF THE 'SHINING DEMON', WHEN HE WAS ALERTED BY A SCREAM IN THE NIGHT!

TARZAN EMERGED FROM HIS HUT AND SAW THAT HIS QUALMS HAD MATERIALIZED. HERE WAS A MYSTERIOUS, GLOWING FIGURE THAT HAD PANICKED THE VILLAGERS!

Dick VanBuren
John Celardo

NOW THE CREATURE GESTURED STRANGELY, AND A NEARBY NATIVE GROANED AND COLLAPSED--

THEN, INCREDULOUSLY, OTHERS WERE ALSO STRICKEN-- INCLUDING THE APE-MAN!

Copr. 1936, Edgar Rice Burroughs, Inc.—Tm. Reg. U.S. Pat. Off.
Distr. by United Feature Syndicate, Inc.

ALTHOUGH A SHARP PAIN STABBED TARZAN, HE CHARGED TOWARD THE LUMINOUS FIGURE-- IT HAD TO BE STOPPED!

Abbie an' Slats

by RAEBURN VAN BUREN

IT'S THAT BUM, I TELL YOU - HE (GASP) IS A WALKING URANIUM MINE!

HOW DO YOU STAKE OUT A CLAIM TO A - IF YOU'LL EXCUSE THE EXPRESSION - HUMAN BEING?

W723

JUST LEAVE THE WHOLE THING TO ME--AND WE'LL WIND UP FILTHY RICH!! YOO-HOO - YOU IN THE HOUSE!

WHO'S THAT BABOON YOO-HOOIN' AT--ME?

GOOD DAY, MY MAN--HOW WOULD YOU LIKE TO BUY ONE OF OUR BRAND-NEW MISERY METERS?

MISERY METERS! WHAT'S IT DO, SONNY - CURE IT OR CAUSE IT?

BZZZ

FUNNY...VERY FUNNY! WHY, THIS DANDY LITTLE GADGET TELLS YOU WHERE IT HURTS! WHEN YOU KNOW EXACTLY WHERE IT HURTS - YOU KNOW EXACTLY WHERE TO APPLY THE CURE! SIMPLE?

IT DOES SOUND LIKE A TIME - SAVER -

OF COURSE, IT IS! THERE - WE'LL TEST YOUR KNEES--- HMMMM...THEY SOUND IN FINE SHAPE...

BZZZZZZ

WELL, WELL - YOUR STOMACH MUST BE MADE OF CAST IRON - JUST LISTEN TO THE MISERY METER SING!!

NEVER HAD NO COMPLAINTS ABOUT IT MYSELF!

BZZZZZZ

LISTEN (GASP) TO IT NOW!! IT'S SHAKING CLEAN OUT OF MY HAND!!

IT COULDA GOT A LINE ON A HEADACHE I FEEL COMIN' ON!

BZZZZZZ

WE MUST HAVE LOCATED THE SEAT OF YOUR TROUBLE, YOU LUCKY MAN!

AND (CHUCKLE) IF YOU'RE REAL LUCKY---

BZZZZZZ

5-27

WE GOT A SURE CURE FOR HEADACHES!

HE'S RIGHT! WHEN WE FINISH WHAT WE CAME FOR, YOU'LL HAVE NO MORE COMPLAINTS ABOUT HEADACHES!!

BZZZZZZ

JIMMY, HIPPOPOTAMUS AT THE PHILADELPHIA ZOO, WAS OBSERVED SWIMMING AROUND HIS POND WITH A FLOTILLA OF BABY DUCKS *ON HIS HEAD...*

JOHN JORDAN IS THE ONLY **MALE** STUDENT IN THE UNIV. OF CINCINNATI'S COLLEGE OF *HOME ECONOMICS!*

"CHRIST OF THE SUMMITS"

THE TWO-TON STATUE WAS SPLIT INTO 17 SECTIONS AND CARRIED TO ITS LOFTY EMPLACEMENT ON MONTE ROSA, 13,698 FEET HIGH IN THE ITALIAN ALPS, BY ALPINE CADETS OF THE AOSTA MILITARY ACADEMY...

THE FUNNY BONE IS NOT A BONE-- IT IS A NERVE...

CURLY KAYOE

by SAM LEFF

DON'T COME BACK WIT'OUT CURLY, Y'HEAR?

WE WON'T FAIL YA, LUCKY!

WE BETTER NOT!

WHEN CURLY KAYOE COMES ABOARD- I'M GONNA GIVE TH' CHAMP A BOXIN' LESSON...

I BEG YOU, LUCKEE, DO NO GO THROUGH WEETH YOUR CRAZEE IDEA... PLEASE!

SHUT YER FACE, SWEETHEART!

LUCKY SURE IS GOIN' TO A LOT O' TROUBLE TO TRY T' PROVE A POINT.

YEAH-BUT TH' BOSS HAS MADE UP HIS MIND THAT HE CAN BEAT CURLY KAYOE AN' HE AIN'T RESTIN' TILL HE DOES IT.

DON'T BE GONE TOO LONG, CURLY- WE'VE GOT WORK TO DO, YOU KNOW!

I'LL RETURN SOON, HAPPY!
